# SURGERY NEWS

As of the 1<sup>st</sup> April 2025 Dr Mary Onianwa and Dr Nishal Velani became Partners at the practice. I am sure you will join us in congratulating them both on this achievement.

Mitchley Avenue Surgery officially closed its doors to patients on Thursday 26<sup>th</sup> March 2025. This was a sad day for all the staff especially Dr Woolf who has been the GP at this surgery for over 37 years. We wish him well in his retirement. An event to mark his retirement for patients to attend was held on Wednesday 26<sup>th</sup> March, it was a lovely event which gave patients the opportunity to say goodbye to Dr Woolf personally.

Dr French left the practice his last working day was Friday 21<sup>st</sup> March 2025. We wish Dr French well as he starts a new life on the south coast.

# ONLINE TRIAGE

The practice uses accurx triage service. This allows patients to send in an admin request say requesting a sick note or chasing a result. Or ask the GP for medical advice. Click here to access the link <https://florey accurx.com/p/H83018> .
