- 2) **Apologies** – as above
- 3) **Minutes** – confirmed
- 4) **News from the practices:**
 - **Selsdon** – Dr Asharia will be moving to Warlingham Green Practice, he will still be a locum. Dr Morehouse ST3 will also be leaving shortly. Denise (Receptionist) celebrated her 70th. We discussed the availability of appointments outside of the core hours of 08:00-18:30.
 - **Mitchley** – Kim (Receptionist) will be retiring at the end of March. Dr Woolf will be reducing his sessions and not be working on a Monday from April. From 1st March Mitchley are operating out of Selsdon Park on a Friday: Dr French, Craig Daniel and Caroline Bridgeman will be seeing patients from Selsdon. We discussed the impact on the patients at both sites and any implications for the future. Dr Trompetas is going to meet with Dave Scott and Christian Kuepers. We discussed the benefits to Mitchley patients since the merger and Dave suggested we put together a comparison table of increased benefits to Mitchley patients in

the way of additional nursing and GP appointments and evening appointments. He also discussed combining the practice names.

5) **PPG input, ideas –**

- PPG Talk – Pauline has spoken to Surrey Physio who are happy to attend, also investigated the possibility of a BLS talk but costs are prohibitive. Meryl has discussed an orthopaedic consultant from North Downs Hospital attending and this is a possibility. Discussed venue and will look at the Community Hall in Selsdon again but Gresham was a good venue last time.
- The PPG would like a GP to attend the next meeting.
